Sample Information

IMPORTANT NOTICE: Sample(s) received with an incomplete/incorrect Chain of Custody form will be automatically placed in Quarantine. Samples received without indication of "GMP" analysis will be considered "non-GMP" by default and reported as such; GMP testing is only available for qualified/ validated methods as designated by Daane Labs. Customer agrees Daane Labs is not responsible for and may immediately dispose of any samples having an illegal or otherwise undeclared controlled substance present in the given sample matrix. **Standard Terms & Conditions apply to all samples and requests.**

Analysis Requested (Mark appropriate boxes)

Standard Microbial Panels						Non-Standard Microbial Analyses						
AOAC (2-3 days)			USP (5-7 days)			Quant.	Qual.			Other		
Quantitative	Qualitative		Quantitative	Qualitative
